

**PREMIUM Ice Melt**

## FIRE BLEND ICE MELT

- ✓ FAST Melting -15°
- ✓ Calciumchloride
- ✓ Organic polymers
- ✓ "Sized" for instant melting action
- ✓ Leaves a non-tracking brine film
- ✓ Anti-caching agent
- ✓ SUPERIOR melting results
- ✓ Breaks the bonds of ice and snow
- ✓ Non-staining water soluble color
- ✓ Rust Inhibitor
- ✓ Corrosion Protection

**FIRE BLEND** works so fast because it dissolves so quickly ... a Melting Power of -15° and calcium chloride and organic polymers for lasting capabilities; it also has our unique way of "sizing" this product to give you the fastest performance and has been certified to be up to 70% less corrosive (corrosion protection), a rust inhibitor, anti-caching agent, and a non-staining water-soluble color. Since it dissolves so quickly there is less tracking indoors and it leaves a non-tracking brine film to help reduce any icing afterwards.

**FIRE BLEND** is excellent at decreasing the bond between ice and surfaces, as it powers through ice faster to get the melting results you expect. Getting to the pavement is what is key to keeping clients happy. Plain SALT is limited on its melting capabilities as opposed to **FIRE BLEND**. At 20° salt is losing its melting power and at 15° it has virtually stopped unless you apply more salt while one application of **FIRE BLEND** will melt the ice faster and give you better results, less work, less product, less money ... you win!

*Pets: We do not describe our products as pet safe because each pet can react differently and be more or less sensitive than others, so please keep close attention to your pet if it comes into contact with product. All ingredients are natural and safe but each pet and incident is varied and therefore you should use caution when using this product.*

*Safety and Directions: Always wear eye protection, gloves, and proper clothing and rinse your hands and eyes thoroughly if you come into contact. Always read product directions before using this product. It is always best to make multiple applications versus a heavy application.*

*No warranty is implied or expressed including but not limited to merchant ability or fitness for a particular purpose is made concerning this product.*
